Advanced Car Protect Solutions

WHEN WE ELABORATE OUR
PRODUCTS, WE FOCUS ON ONE
OBJECTIVE:

**MAXIMUM
PROTECTION**
WITH MINIMUM
MAINTENANCE.

This is how we have created one of the most advanced formula that gives a stunning gloss combined with an extremely hard surface.

**UP TO 4 YEARS
OF SHINE AND
PROTECTION.**

CARE LESS, ENJOY MORE !

Drexler Ceramic offers a complete solution to protect all the exterior parts of a car, painting, exposed carbon fiber, wheels, glasses, exhaust tips...

We are continuously improving our products and creating new ones from our workshop in south of France.

After months of testing, one conclusion:

THE BEST PROTECTION IS BY CREATED BY TWO DIFFERENT LAYERS:

Drexler 
ceramic
Advanced Car Protect Solutions

- **BASE COAT**
- **TOP COAT**

This gives a result
with a lot of benefits:

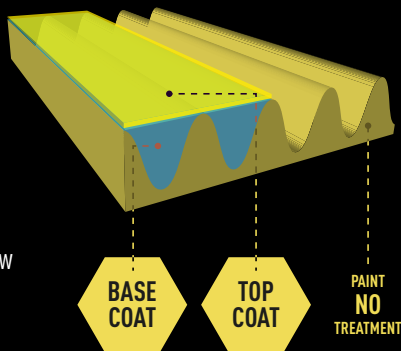

- 3 to 4 years lasting
- Super Hydrophobic
- High gloss
- Swirls protection
- Corrosion resistance
against sand, salt ...
- Chemical resistance
- High temperature resistance
- Self-cleaning effect
- Super easy to wash

WE PROVIDE A
**COMPLETE
EXTERIOR
SOLUTION**

DREXLER CERAMIC **CAN NOT BE
REMOVED BY CHEMICALS ONCE IT'S
HARD**, only a machine polishing can do it.

It's when you look a car paint through a microscope that you clearly understand how Drexler Ceramic works:

WE MAKE WAXES AND OTHER SEALANTS OBSOLETE.
